7 Restrictive intervention

7.1 Restrictive intervention is an intervention which is made to protect a pupil from harm or from harming others by limiting their movement or associations. For example, a pupil may not be allowed to use a particular area such as a specific

² Ofsted stated in their commentary on summary evaluation of MATS that HMI will explore "how policies are made, implemented and reviewed and the impact they have & how the MAT trustees work with MAT leadership". It is therefore important to acknowledge this within the policy. Moreover, the Ofsted Education Inspection Framework, under behaviour and attitudes refers to judgements being made by evaluating the extent to which: "leaders, teachers and learners create an environment where bullying, peer-on-peer abuse or discrimination are not tolerated. If they do occur, staff deal with issues quickly and effectively, and do not allow them to spread".]

corridor due to previous incidents or they may not be allowed to associate in break times with another pupil if their interactions have previously had negative consequences.

8 Use of reasonable force

8.1 Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used only when immediately necessary and for the minimum time necessary.

8.2 Force will never be used as a punishment.

8.3 Circumstances in which reasonable force might be used include the following:

- Where it is necessary for a pupil to be removed from the classroom following disruptive behaviour and they have refused the instruction to leave the classroom;
- Where it is necessary to stop behaviour by a pupil that is disrupting an academy event, trip or visit;
- Where it is necessary to prevent a pupil from leaving a classroom, where allowing them to leave would risk their safety;
- Where it is necessary to prevent a pupil from leaving a classroom, because allowing them to leave would lead to behaviour that disrupts the behaviour of others in the Academy;
- Where it is necessary to stop a pupil from physically attacking another pupil or member of staff, or where it is necessary to break up a fight;
- Where it is necessary to restrain a pupil who may harm themselves through physical outbursts.
- Where a member of staff has assessed that it is appropriate to use reasonable force to conduct a search of a pupil without their cooperation to search for a 'prohibited' item as defined in the Academy's Behaviour policy. Force will never be used to search for other items that are banned by the Academy.

9 Staff training

9.1 All members of staff will receive training about the use of reasonable force appropriate to their role to enable them to carry out their responsibilities. This will include training on any restraint techniques which must not be used because they are known to present an unacceptable risk when used on children and young people.

9.2 Additional and refresher training will be provided where necessary.

10 Additional needs

10.1 Those exercising the power to use restrictive intervention or reasonable force will take into account any particular vulnerabilities or Special Educational Needs and / or Disability (**SEND**) a pupil may have. Reasonable adjustments will be made for pupils with special educational needs or disabilities. All use of restrictive intervention and reasonable force is carried

out in accordance with the Academy's statutory duties under the Equality Act 2010.

- 10.2 For pupils with a particular special educational need / s or disability / ies, the use of restrictive intervention or reasonable force should not only depend on the circumstances of the case, but also on the information and understanding of the needs of the pupil concerned.
- 10.3 The **SENCO** will discuss the needs of such pupils with the Parents and the members of staff who work with them to ensure that clear guidelines are in place as to the pupil's needs and when restrictive intervention or physical restraint may be necessary.
- 10.4 If physical restraint is likely to be necessary because of a pupil's disability or Special Educational Needs, a written plan will be put in place following consultation with the Parents setting out the techniques that should normally be used, taking into account the pupil's Education, Health and Care plan where appropriate.
- 10.5 The Academy will ensure that all members of staff involved with such pupils have received the appropriate training to enable them to carry out their responsibilities.

11 Risk assessment

- 11.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.
- 11.2 The format of risk assessment may vary and may be included as part of the Academy's overall response to a welfare issue, including the use of individual pupil welfare plans (including Education, Health and Care Plans, behaviour plans, as appropriate). Regardless of the form used, the Academy's approach to promoting pupil welfare will be systematic and pupil focused.
- 11.3 The Principal / Headteacher/ name] has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated as required.
- 11.4 Day to day responsibility to carry out risk assessments under this policy will be delegated to senior leaders who have been properly trained in, and tasked with, carrying out the particular assessment.

12 Recording and reporting incidents

- 12.1 The Academy will establish and maintain a strong and effective system for data recording including all parts of behaviour culture that is collected from a range of sources and that is regularly objectively analysed and monitored by appropriate skilled staff.
- 12.2 Where a member of staff is involved in any incident in which force is used on a pupil, they should report the incident to the Deputy Principal / Deputy

Headteacher / name. Serious incidents involving force will be recorded in writing by the Deputy Principal / Deputy Headteacher / name] and monitored on a regular basis to establish trends, evaluate the Academy's policy and procedures and assess training requirements.

- 12.3 This record will be reviewed by the Proprietor / Behaviour and Discipline Committee in order to evaluate all data recorded in order to meet their obligations under this policy and, in particular, establish any trends (for example, in respect of particular socio-economic groups, or groups with a protected characteristic).
- 12.4 While the Academy is not required to obtain the consent of Parents to use force on a pupil, Parents will be informed of serious incidents involving the use of force. In the EYFS setting, the pupil's Parents will be informed about any use of reasonable force on the day of the incident or as soon as reasonably practicable.
- 12.5 Any complaints about the use of force will be investigated in accordance with the appropriate procedure as set out in the Academy's complaints policy. Where appropriate, the Academy's Safeguarding and child protection policy and procedures will take precedence and be followed following receipt of a complaint.
- 12.6 Following an incident the Academy may seek the views of the pupil voice.
